Penalties and Interest

If you fail to pay your total tax liability by April 15, 2002, a late-payment penalty plus interest will be added to your tax due. If after April 15, 2002, you find that your estimate of tax due was too low, you should pay the additional tax as soon as possible to avoid further accumulation of penalties and interest. Pay your additional tax with another form FTB 3519 voucher. If you do not file your return by October 15, 2002, you will be assessed a late-filing penalty plus interest from the original due date of the return.

Taxpayers Residing or Traveling Abroad

If you are living or traveling outside the United States on April 15, 2002, the deadline to file your return and pay the tax is June 17, 2002. Interest will accrue from the original due date (April 15, 2002) until the date of payment. If you need additional time to file your tax return, you will be allowed an automatic six-month extension without filing a written request. To qualify for the extension, you must file your tax return by December 16, 2002. To avoid any late-payment penalties, you must pay 100% of your tax liability by June 17, 2002.
